# Covid-19 update

Form has been sent to NGBs to gather their feedback on World Cup, 6 so far have responded. Discussion around when a rescheduled World Cup could take place considering financial projections and worldwide implications. Mary to be invited to the next board meeting to discuss the world cup decision. The announcement is currently being worked on, especially a FAQ section. NGBs to be reminded to discuss things with their teams and use that for their decision making.

## **Other Business**

## April fools day

Betsy thinks not doing something would raise questions. We should do something and not have Covid-19 impact it. Austin suggests asking NGBs for input.

Austin to take the lead on coordinating with NGBs on the announcement. Pauline to discuss the announcement with Aldo and the communication department.

Next meeting: 18:00 UTC 8th April
